“Evening Falls,” a Folk Song

СПУСКАЙСЯ, ВЕЧІРОНЬКУ (Evening Falls)

Evening falls
Peacefully on the fields
Naj slukha nashu pisniu
Vechirniaia zoria. (x2)

The valley is dark
Approaches the night time
On Makiva Mountain the birches
Reflect the last rays of light. (x2)

Silence falls round
Cold is the air
And in the grove the nightingale
Has begun his song. (x2)

Evening falls
Peacefully on the fields
Naj slukha nashu pisniu
Vechirniaia zoria. (x2)
